

Special Invitations

Classes meet 8:30-4:00 daily.

Orff-Schulwerk

Orff-Schulwerk is a creative approach to teaching and learning music through speaking, singing, playing instruments and moving. Created by composers Carl Orff and Gunild Keetman, the Schulwerk is an exciting way to teach and learn music. For more information about the Kansas Orff Chapter, please contact President Linda Rohrer at kocpresident@kansasorff.com, or visit our website at www.kansasorff.org.

Level II

Level Two is for anyone who has successfully completed an AOSA approved Level One course. Instruction will review Level One techniques with further exploration in the following areas: mixed and uneven meters; harmonization to include the moving *bordun* and chord change accompaniments including I-V and I-IV-V; movement and instrumental improvisation; extended forms; and the continuation of the soprano recorder with the introduction of the alto recorder.

Cancellation Policy

Baker University may cancel or postpone any course or activity because of insufficient enrollment or other unforeseen circumstances. If a program is cancelled or postponed, Baker University will refund all registration fees, but cannot be held responsible for other costs, charges, or other expenses incurred by the registrant.
